

# A Childhood Cancer Foundation

Dear Friend,

Before you know it, the 2018 Chester County Turkey Trot will be just around the corner! Sponsorship opportunities benefitting the Cure4Cam Childhood Cancer Foundation are NOW AVAILABLE for the 2018 season. Cure4Cam and the Downingtown High School West cross-country team are working together to reach out to you, our community, for support in this year's campaign.

The 17<sup>th</sup> annual Chester County Turkey Trot, hosted by the team, will be held on Thanksgiving morning, November 22, 2018. This 5k Run/1 Mile Walk/ Kids Fun Run event, which benefits the team as well as Cure4Cam, historically registers about 3000 and is one of the largest of its kind in Chester County.

With a mission to raise public concern and much-needed funds needed to support promising clinical projects, the Cure4Cam Childhood Cancer Foundation, a 501(c)(3) non-profit, founded in memory of fellow runner, 14-year-old Cameron Evans, to date has granted \$1,035,000 to childhood cancer researchers all over the country. Thanks to generous sponsors like you, over the past six years the Chester County Turkey Trot has raised just over \$300,000 of that! Due to a donor covering charity expenses, ALL monetary sponsorships and donations are not only 100% tax deductible, but 100% will be directed by Cure4Cam to fund childhood cancer research! D-West Cross-country also welcomes donations in the form of refreshments for the race (Contact through Chester County Turkey Trot email below).

Due to the size and popularity of this race, sponsor exposure is substantial! Please support this event with your contribution and plan to come out on Thanksgiving morning with family, friends, or co-workers to join this uplifting event!

Thank you for your generous support!

Sincerely,

Regina Evans, Cameron's mom and Co-Founder
