

# A Childhood Cancer Foundation

P.O.Box 211, Lyndell, PA 19354-0211

Dear Friend,

For the past 6 years, the Cure4Cam Childhood Cancer Foundation (Cure4Cam) has held its Moonlight 5K Run/Walk in Exton, PA, averaging 300 registrants, to raise important funds for childhood cancer research. Cure4Cam will once again be working with AGI in planning this event. Would you partner with us to help give kids a fighting chance?

This year's race will go off on Tuesday evening, June 9, 2020, from Valley Creek Corporate Center onto the scenic Chester Valley Trail in Exton, PA. Whether participants of the 5K Run or 2K Walk are there to face a challenge, beat their best time, or simply have some great active fun, they are all helping to benefit Cure4Cam and our mission to raise community awareness about childhood cancer and funds to support the development of new and more humane therapies for children with these diseases.

Cure4Cam is a 501(c)(3) founded in 2012 after the passing of Downingtown student, Cameron Evans, from leukemia at the age of 14. To date, Cure4Cam has granted over \$1.5 million to scientific investigators who are involved in promising childhood cancer research projects across the country.

Thank YOU for your commitment to childhood cancer. Forms and donations may be mailed to Cure4Cam, P.O. Box 211, Lyndell, PA 19354. (In order to make the t-shirt deadline, they must be received **no later than May 8, 2020**. All logos should be sent in vector format (.eps or .ai are perfect!). You will be contacted about optional race entry use once we receive your sponsorship donation. For more information or logo submission, please email [regina@cure4cam.org](mailto:regina@cure4cam.org).

We truly appreciate your support! Together, we can make a difference in the life of a child with cancer.
